PROFESSIONAL EXPERIENCE

Brand Designer, The Editor Suite

April 2025 - Present

- Designed logos, visual identities, and full brand systems backed by clear research and concept reasoning.
- Collaborated with strategists, developers, marketers, and founders to deliver branding, UI/UX, packaging, and digital marketing assets.
- Led client communication, presented concepts, and refined designs based on structured feedback.
- Built consistent design languages across platforms by creating brand guidelines, asset libraries, and final deliverables.
- Designed consumer-facing brand assets and product visuals suitable for e-commerce and marketplace platforms.

PROJECTS

Supherbman – Branding & Visual Identity

Oct 2025 - Nov 2025

- Developed the complete brand identity system including logo, color palette, packaging cues, and social-ready assets using research-driven design principles.
- Delivered a scalable visual language aligned with the brand's positioning by creating guidelines, refining typography, and ensuring cross-platform consistency. (Keywords: brand identity, visual system, typography, design strategy)

The Creator India – Full Product Design (UI/UX + Branding)

Oct 2025 - Present

- Designed the entire product experience from user flows and wireframes to high-fidelity UI screens, focusing on clarity, conversion, and intuitive navigation.
- Collaborated with founders to define brand voice, interaction patterns, and component libraries while ensuring the platform met usability, accessibility, and scalability standards. (Keywords: UI/UX design, product design, user research, design systems)

EDUCATION

Bachelor of Technology
RGPV University

Jul 2020 - Sep 2024
